

ImagePerfect™ 2214 Medium Weight Mesh

DESCRIPTION

ImagePerfect 2214 material from Gerber Technology is a strong, flexible, fire-retardant, medium-weight, top-quality mesh, equipped with a liner suitable for both indoor and outdoor applications. It has been specially created for digital printing on large-format inkjet printers and is suitable for printing with eco solvent and solvent inks as well as latex inks. It is NOT suitable for printing with UV-cure inks.

IP 2214 is supported on a liner and allows for first-class printability with remarkable text definition and a large color gamut to ensure colorful images and vibrant area infills. It ca T&B.663 -1.141 Td[and pr]-5.9 (o)10.5 (r
