Technical specifications are subject to change without prior notice. Output may vary depending on the type of print data/file, application, media, environmental conditions, print speed or other variables. The specifications and information on physical and chemical characteristics is based upon testing believed to be reliable. They are intended only as a source of information and are given without guarantee and do not constitute a warranty. Purchasers should independently determine, prior to use, the suitability of this material for its specific use.
